Purpose

This handbook defines standard employee policies for leave, attendance, remote work, travel, benefits, performance review, and professional conduct. Where a policy contains a stated eligibility condition, that condition takes precedence over general guidance.

Leave and Time-Off Policy

Annual Leave

Full-time employees receive 18 working days of annual leave per calendar year. Leave requests should normally be submitted at least five working days before the planned absence. Managers may approve shorter notice for urgent personal circumstances.

Sick Leave

Employees may take up to 12 days of paid sick leave per calendar year. A medical certificate may be requested when an employee is absent for more than two consecutive working days.

Maternity Leave

Eligible employees may receive up to 26 weeks of maternity leave for qualifying events, subject to applicable law and company eligibility requirements. The employee should coordinate the expected leave dates with People Operations.

Parental Leave

Eligible new parents may receive 10 working days of paid parental leave. The leave should normally be taken within 90 days of the qualifying event.

Carry Forward

Up to 10 unused annual-leave days may be carried into the following calendar year unless a local legal requirement or employment agreement provides a different entitlement.

Attendance and Working Hours

Standard Schedule

The standard office schedule is Monday through Friday, 9:00 AM to 5:30 PM, including a one-hour meal break. Individual teams may operate different schedules when documented by the team lead.

Late Arrival

Employees expecting to arrive more than 30 minutes after their scheduled start time should notify their manager as early as practical.

Attendance Records

Employees must record attendance through the approved workforce system. Corrections should be submitted within five working days.

Remote Work Policy

Eligibility

Remote work is available to roles designated as remote-eligible. Approval depends on role requirements, information-security controls, business continuity needs, and manager approval.

Remote Work Hours

Employees working remotely should remain reachable during their agreed core hours, 10:00 AM to 4:00 PM, unless an alternative schedule is approved.

Equipment

Company-issued laptops must use full-disk encryption, screen locking, endpoint protection, and approved identity-management controls.

Travel and Expenses

Business Travel

Domestic travel requires manager approval before booking. International travel requires manager approval and confirmation from the relevant People Operations or Finance process.

Reimbursement

Reasonable business expenses are reimbursable when supported by receipts and submitted through the expense system within 15 calendar days after the trip.

Accommodation

Standard hotel reimbursement is capped at INR 7,500 per night for domestic business travel unless an exception is approved in advance.

Performance and Conduct

Performance Review

Employees participate in a formal performance review twice each year. Reviews consider role objectives, measurable outcomes, collaboration, and professional development.

Professional Conduct

Employees are expected to communicate respectfully, protect confidential information, avoid conflicts of interest, and follow applicable company procedures.

Policy Questions

Questions about policy interpretation should be directed to People Operations. This document is a company policy reference and does not replace applicable law or an individual employment agreement.
